

SPORTSMAN PRO MOREL LIFTER

MAKE AMERICA GREAT

Small Block Chevy: Set 6591

Big Block Chevy: Set 6593

- The SPORTSMAN PRO is a new design of our very successful 4604 SB and 4606 BB lifters
- Full-time EDM oiling to feed the bearing
- Lighter weight than the 4604 and 4606
- Allows pushrod oiling on SB Circle Cams
- Pro Series Tie Bar Button
- REM finish
- Made in Cleveland, Ohio

The milled notch allows oil flow on small base circle cams.

Full time pressurized oil enters the body and exits into the bearing to enhance durability.
