

### **Drag Week 2018**

Troy LaCrone competes in Drag Week 2018 with his 68 Camaro. It is a 572 cu in BBC with conventional heads, single carb and runs on pump gas.

Troy finished in 2nd place in the Pro Street class after all 5 days of competition.

1st Day - Atlanta - 7.774 @ 169.55  
2nd Day - Darlington - 7.698 @ 174.83  
3rd Day - Concord NC - 7.887 @ 171.27  
4th Day - Bristol TN - 7.795 @ 172.21  
5th Day - Atlanta - 7.706 @ 176.64

5-Day Average - 7.772 @ 172.9

Significant achievements by Troy LaCrone at Drag Week 2018!

1. Regardless of class, Troy's Camaro had the 20th fastest avg for 5 days in history of Drag Week.
2. Regardless of class, Troy's Camaro had the fastest ever time for a Plate Nitrous system.

**Congratulations to Troy and his team for an outstanding effort at Drag Week 2018!**
